

ASX Release

29 April 2010

## **Australian Power and Gas Customer Account Numbers hit 130,000**

- **Q3 4C also released**
- **Customer receipts year to date reach \$86.7M**

Australian Power & Gas today released its updated customer account numbers which have now exceeded 130,000 showing the continued strong growth of the company. Receipts from customers were \$86.7 million for the first three quarters of the financial year reflecting these levels of growth.

The company has also released today its quarterly 4C report for March 2010. The 4C reflects the seasonal flow of cash during the autumn period and is broadly in line with management expectations. Underlying business cash flow remains positive.

## **About Australian Power and Gas**

Australian Power & Gas Company Ltd is listed on the Australian Stock Exchange (ASX) under the code APK. Australian Power & Gas holds a full suite of gas and electricity retail licences in Victoria, New South Wales, ACT, South Australia and Queensland and has been approved to operate by AEMO, the Australian Energy Market Operator. The company benefits from a strong management team with more than 50 years combined experience in the energy industry.
