

China Used Equipment & Remanufacturing Summit 2011 **- Saving Costs, Boosting Profits**

11-12 January, 2011

Kuntai Royal Hotel, Beijing, China

Organized by Duxes Business Consulting Inc. and endorsed by powerful organizations around the world, China Used Equipment & Remanufacturing Summit 2011 will take place on 11-12 January, 2011 in Beijing, China.

In developed countries, the used equipment industry is praised as the “gold industry” while remanufacturing is also an environmental-friendly repair option. China enjoys an annual growth rate of more than 20% in transactions of second-hand engineering machinery and equipment. With the newly-released standards and rising attention towards the industry, the summit is launched.

The China Used Equipment & Remanufacturing Summit 2011 is to share with attendees the first-hand information of industrial policies and regulations and the trends of Chinese used equipment & remanufacturing development. The summit will put forward proposals to decrease the risk of equipment leasing. It will provide a platform to bring together international experts and leaders to share experience and forecast the international technology, which is to promote innovation and cooperation among the enterprises.
