

4th China International Agribusiness Summit 2011 - Sustaining Your Profitability of Agribusiness

15-17 June, 2011

Swissôtel Beijing Hong Kong Macau Center, Beijing, China

Organized by Duxes Business Consulting Inc. and endorsed by powerful organizations around the world, 4th China International Agribusiness Summit 2011 will take place on 15-17 June, 2011 in Beijing, China.

The fact that lots of problems of agriculture remain unresolved drives demand and limits supply, thus leading to skyrocketing prices of major agricultural products. No.1 central document released by China government is consecutively focusing on rural problems and drafting committee of Grain Law is making further changes and specific arrangements, which attracts more attention to agribusiness.

With the successes of previous three summits, the 4th China International Agribusiness Summit 2011 will be held on 15-17 June, 2011 in Beijing, China with the recommendation of previous speakers and delegates.

The pre-event of this summit will focus on the Cold Chain Logistics Planning for Agricultural Products. The summit will provide an effective platform for the participants to learn latest industrial policies and regulations, to explore Chinese agriculture market, and to analyze prices and demand and supply of agricultural products. The summit will help to optimize grain logistics system and recognize the importance of agri-chemical for minimizing business risk and realize health, safety and environment. Speakers from Chinese central government like NDRC, AQSIQ, SAG, MOA, National Technical Committee on Logistics of Standardization Administration of China as well as world-leading companies including COFCO, CP Group, New Hope Group, CNCRC, ADM, Bunge and Cargill etc. will share with the attendees their precious experience and opinions on China agriculture industry.
