About OTCQX

The OTCQX marketplace is the premier tier of the U.S. over-the-counter market. Investor-focused companies use the quality-controlled OTCQX marketplace to offer investors transparent trading, superior information and easy access through their regulated U.S. broker-dealers.

About OTC Markets Group, Inc.

OTC Markets Group, Inc. provides the leading inter-dealer electronic quotation and trading system in the over-the-counter (OTC) securities market. OTC Markets Group operates the third largest U.S. equity trading venue which includes both the premier OTCQX market tier for investor-focused OTC-traded companies that can satisfy financial and disclosure standards and the OTC Pink marketplace for all other OTC quoted securities.

About Palace Resources

Palace Resources goals are to create a sustainable exploration and development business focussed on resource opportunities in the Indonesian resource rich region. Palace has a strong management team which has a track record of acquiring and developing mineral projects in the Asia Pacific region. Palace is aggressively exploring and developing resources in the south-east Asia region, particularly Indonesia.
