 - (iii) if it becomes probable that the Scheme will not become Effective by the Sunset Date,

either Coalspur or KCE may serve notice on the other of them and then Coalspur and KCE must consult in good faith with a view to:

- (c) Subject to any rights or obligations arising under or pursuant to clauses that are expressed to survive termination (including by virtue of clause 9.4), on termination of this agreement, no party shall have any rights against or obligations to any other party under this agreement except for those rights and obligations which accrued prior to termination.

- (d) If the condition in clause 3.1(b) is not satisfied only because of a failure to obtain the majority required by section 411(4)(a)(ii)(A) of the Corporations Act, then either party may by written notice within 3 Business Days after the date of the conclusion of the Scheme Meeting require the approval of the Court to be sought, pursuant to the Court's discretion in that section, provided the party has in good faith formed the view that the prospect of the Court exercising its discretion in that way is reasonable.
 - (e) If the Court refuses to make an order approving the Scheme satisfying clause 3.1(e), at KCE's request Coalspur must appeal the Court's decision to the fullest extent possible (except to the extent that the parties agree otherwise, or an independent Senior Counsel indicates that, in his or her view, an appeal would have negligible prospects of success before the Sunset Date). Coalspur may bring an appeal even if not requested by KCE. If any such appeal is undertaken at the request of KCE, KCE will bear Coalspur's costs of the appeal (including costs of the independent Senior Counsel) unless the parties otherwise agree. - (h) If there is a dispute as to the content of any part of the Scheme Booklet (including KCE Information), the parties must consult in good faith and use their reasonable endeavours to resolve the dispute within two Business Days. If the parties fail to agree on the form or content of the Scheme Booklet:
 - (i) Coalspur will have the final decision on the form or content of any Coalspur Information; and

 - (i) the identity of the person or persons taking any action referred to in clause 11.4(a)(i) or 11.4(a)(ii) or on whose behalf any such action was taken or any person to whom Coalspur intends to provide information under clause 11.4(a)(iii) (**Third Party Bidder**);
 - (ii) the terms and conditions of any Competing Proposal or any proposed Competing Proposal (to the extent known); and
 - (iii) the circumstances in which any information is provided to the Third Party Bidder.

11.5 Access to information

- (a) Where, in reliance on clause 11.7, and subject to applicable law, the Coalspur Group or any member of the Coalspur Group or any of their Representatives proposes to provide any information relating to the Coalspur Group to any Third Party Bidder in connection with or for the purposes of a current or future Competing Proposal, it must, to the extent that KCE has not previously been provided with the information, provide KCE with a complete copy of that information at the same time as it is provided to the Third Party Bidder.

 - (i) providing information to its Representatives;
 - (ii) providing information required to be provided by law (including Canadian securities laws), a Court or any Regulatory Authority; or
 - (iii) making presentations to brokers, portfolio investors and analysts in the ordinary and usual course of business.

11.6 Coalspur's response to Third Party Bidder and KCE's right to respond

- (a) If Coalspur is permitted by virtue of clause 11.7 to engage in activity that would otherwise breach clause 11.2, Coalspur must enter into a confidentiality agreement with the Third Party Bidder which is on terms no less onerous to the Third Party Bidder than the Confidentiality Agreement is to KCE.
- (b) Without prejudice to KCE's rights under this clause 11, if at any time during the Exclusivity Period any Coalspur Director wishes to approve or recommend entry into any agreement, commitment, arrangement or understanding relating to a Competing Proposal (other than a confidentiality agreement contemplated by clause 11.6(a)), Coalspur must ensure that he or she does not do so:
 - (i) unless the Competing Proposal is bona fide and, assuming that the Competing Proposal is implemented, it would mean a person (other than KCE) would directly or indirectly acquire 100% of the Coalspur Group; and
 - (ii) until each of the following has occurred:
 - (A) the Coalspur Directors have made the determination contemplated by clause 11.7(b) in respect of that Competing Proposal;
 - (B) Coalspur has given KCE notice in writing of its intention to enter into an agreement, commitment, arrangement or understanding relating to that Competing Proposal, subject to KCE's rights under clause 11.6(c).  - (E) that Competing Proposal has been publicly announced by that person.
- (c) If Coalspur gives notice to KCE under clause 11.6(b)(ii)(B), KCE will have the right, but not the obligation, at any time during the period of 5 Business Days following receipt of the notice, to:

- (i) offer to amend the terms of the Scheme;
- (ii) make a takeover bid for Coalspur; or
- (iii) propose any other form of transaction,

(each a **Counterproposal**), and if it does so then Coalspur and the Coalspur Directors must review the Counterproposal in good faith. If the Counterproposal would provide at least an equivalent outcome for Coalspur Shareholders in all material respects compared to the Competing Proposal (having regard to the matters noted in clause 11.7(b)), then:

- (iv) if the Counterproposal contemplates an amendment to the Scheme – the parties must enter into an amended agreement in relation to the Scheme reflecting the Counterproposal; or
 - (v) if the Counterproposal contemplates any other form of transaction – Coalspur must announce promptly to the market that the Coalspur Directors unanimously recommend the Counterproposal, and the parties must pursue implementation of the Counterproposal in good faith.
- (d) Where at any time before the Scheme Meeting, a Counterproposal is received in accordance with clause 11.6(c) then, subject to applicable laws, at KCE's request, Coalspur will:
- (i) apply to the Court for an order adjourning the Scheme Meeting to a date acceptable to KCE, acting reasonably, which (where the Counterproposal involves a revision to the terms of the Scheme) must not be later than 10 Business Days after the scheduled date of the Scheme Meeting; and
 - (ii) if KCE and Coalspur amend the terms of this agreement pursuant to clause 11.6(c)(iv) or the Coalspur Directors unanimously recommend the Counterproposal under clause 11.6(c)(v) the parties must ensure that the details of such amended agreement or recommended Counterproposal are communicated to the Coalspur Shareholders as soon as practicable and in any event before the resumption of the adjourned Scheme Meeting.
- (e) For the purposes of this clause 11.6, each successive modification of any third party expression of interest, offer or proposal in relation to a Competing Proposal will constitute a new Competing Proposal.

11.7 Fiduciary and other carve-out

The restrictions in clauses 11.2 and 11.3 do not apply to the extent that they restrict Coalspur or the Coalspur Directors from taking or refusing to take any action with respect to a Competing Proposal (in relation to which there has been no contravention of this clause 11) provided:

- (a) the Competing Proposal is bona fide and is made in writing by or on behalf of a person that each of the Coalspur Directors consider is of reputable commercial standing; and
- (b) the Coalspur Directors have resolved in good faith and acting reasonably that:
 - (i) the Competing Proposal is a Superior Offer, and

- (ii) after having received advice from its external legal adviser practising in the area of corporate law, taking such action (where such action would otherwise be prevented by this agreement) or failure to take such action (where such action would otherwise be required by this agreement) would more likely than not to constitute a breach of the Coalspur Directors' fiduciary duties or statutory obligations.

11.8 Legal advice

Coalspur represents and warrants that:

- (a) prior to entering into this agreement it has received legal advice on this agreement and the operation of this clause 11; and
- (b) it and the Coalspur Board consider this clause 11 to be fair and reasonable and that it is appropriate to agree to the terms in this clause 11 in order to secure the significant benefits to it, and Coalspur Shareholders, resulting from the Transaction.

12. Reimbursement Fees

12.1 KCE

- (a) **KCE Declaration**

KCE represents and warrants to Coalspur that it would not have entered into this agreement without the benefit of this clause 12.1 and it would not have entered into and continued the negotiations and conducted due diligence into Coalspur leading up to this agreement unless KCE had a reasonable expectation that Coalspur would agree to enter into a clause of this kind.

- (b) **Acknowledgments**

- (i) Coalspur acknowledges that KCE has incurred:

- (A) significant external advisory costs;
 - (B) out of pocket expenses including air fares and hotel accommodation;
 - (C) commitment fees and other financing costs; and
 - (D) reasonable opportunity costs incurred by KCE in pursuing the Transaction or in not pursuing other alternative acquisitions or strategic initiatives,

in relation to the Transaction and will incur further costs if the Transaction is not successful (**KCE Costs**).

- (ii) Coalspur represents and warrants that:

- (A) prior to entering into this agreement it has received legal advice on this agreement and the operation of this clause 12.1;

- (B) it has clear documentary evidence supporting the Coalspur Board's detailed consideration of this agreement and this clause 12.1 in particular; and
- (C) it and the Coalspur Board considers this clause to be fair and reasonable and that it is appropriate to agree to the terms in this clause 12.1 in order to secure the significant benefits to it, and Coalspur Shareholders, resulting from the Transaction.

(c) **Agreement on KCE Costs**

The parties acknowledge that the amount of the KCE Costs is inherently unascertainable and that, even after termination of this agreement, the KCE Costs will not be able to be accurately ascertained. As a genuine and reasonable pre-estimate of the costs that KCE will suffer if the Transaction does not proceed, the parties agree that, for the purposes of this clause 12.1, the KCE Costs will be equal to the amount of the Coalspur Reimbursement Fee Amount (it being acknowledged by the parties that the KCE Costs would most likely be significantly in excess of this amount).

(d) **Reimbursement of KCE Costs**

- (i) Coalspur agrees to pay to KCE the Coalspur Reimbursement Fee Amount if at any time after execution of this agreement, any of the following events occur:
 - (A) any Coalspur Director fails to recommend, or recommends against, qualifies their support of or withdraws its recommendation or approval of, the Transaction other than as a result of the Independent Expert opining that the Scheme is not in the best interests of Coalspur Shareholders (other than where the Independent Expert forms that opinion as a result of a Competing Proposal having been announced or made public);
 - (B) any Coalspur Director recommends or promotes a Competing Proposal, including for greater certainty, making any determination under clause 11.6(b);
 - (C) the Court fails (taking into account all appeals) to approve the Scheme for the purposes of section 411(4)(b) of the Corporations Act as a result of a material non-compliance by Coalspur with any of its obligations under this agreement;
 - (D) the Effective Date of the Scheme has not occurred prior to the Sunset Date as a consequence solely of:
 - (1) non-compliance by Coalspur with any of its obligations under this agreement; or
 - (2) without limiting clause 12.1(d)(i)(D)(1), the Scheme Meeting not being held in a reasonably expeditious manner due to Coalspur delaying the Scheme Meeting as a result of a Competing Proposal;
 - (E) a Competing Proposal is announced before the date of the Scheme Meeting, the Scheme is not approved by the

Coalspur Shareholders at the Scheme Meeting and, as contemplated by the Competing Proposal, a third party acquires voting power (within the meaning of section 610 of the Corporations Act) of 50% or more of Coalspur within twelve months of the Competing Proposal being announced; or

- (F) KCE terminates this agreement under clause 9.1(a)(ii).
- (ii) The payment of the Coalspur Reimbursement Fee Amount to KCE provided for in this clause 12.1(d) must be made within five Business Days of receipt by Coalspur of a written demand for payment from KCE. The demand may only be made after the occurrence of an event referred to in clause 12.1(d)(i).
- (iii) Coalspur can only ever be liable to pay the Coalspur Reimbursement Fee once.

12.2 Coalspur

(a) Coalspur Declaration

Coalspur represents and warrants to KCE that it would not have entered into this agreement without the benefit of this clause 12.2 and it would not have entered into and continued the negotiations and conducted due diligence into KCE leading up to this agreement unless Coalspur had a reasonable expectation that KCE would agree to enter into a clause of this kind.

(b) Acknowledgments

- (i) KCE acknowledges that Coalspur has incurred:
 - (A) significant external advisory costs;
 - (B) out of pocket expenses including air fares and hotel accommodation; and
 - (C) reasonable opportunity costs incurred by Coalspur in pursuing the Transaction or in not pursuing other alternative strategic initiatives,in relation to the Transaction and will incur further costs if the Transaction is not successful (**Coalspur Costs**).

 - (C) it and the KCE Board considers this clause to be fair and reasonable and that it is appropriate to agree to the terms in this clause 12.2 in order to secure the significant benefits to it, and KCE shareholders, resulting from the Transaction.

(c) **Agreement on Coalspur Costs**

The parties acknowledge that the amount of the Coalspur Costs is inherently unascertainable and that, even after termination of this agreement, the Coalspur Costs will not be able to be accurately ascertained. As a genuine and reasonable pre-estimate of the costs that Coalspur will suffer if the Transaction does not proceed, the parties agree that, for the purposes of this clause 12.2, the Coalspur Costs will be equal to the amount of the KCE Reimbursement Fee Amount (it being acknowledged by the parties that the Coalspur Costs would most likely be significantly in excess of this amount).

(d) **Reimbursement of Coalspur Costs**

 - (C) Coalspur terminates this agreement under clause 9.1(a)(ii).
- (ii) The payment of the KCE Reimbursement Fee Amount to Coalspur provided for in this clause 12.2(d) must be made within five Business Days of receipt of a written demand for payment by Coalspur. The demand may only be made after the occurrence of an event referred to in clause 12.2(d)(i) and termination of this agreement.
- (iii) KCE can only ever be liable to pay the KCE Reimbursement Fee Amount once.

12.3 Circumstances in which Reimbursement Fees are not payable

(a) **No amounts payable**

Notwithstanding the occurrence of any event in clause 12.1(d), no Coalspur Reimbursement Fee is payable once the Scheme becomes Effective.

(b) **Compliance with law**

 - (1) a breach of the fiduciary or statutory duties of the Coalspur Board, as appropriate; or
 - (2) unacceptable circumstances within the meaning of the Corporations Act; or

- (B) is unenforceable or would, if paid, be unlawful for any reason,

then Coalspur will not be obliged to pay such part of the Coalspur Reimbursement Fee and, if such fee has already been paid, then KCE must within 5 Business Days after receiving written demand from Coalspur refund that part of the Coalspur Reimbursement Fee.

- (ii) If in Takeovers Panel proceedings described in clause 12.3(b)(i), the Takeovers Panel indicates to a party that in the absence of a written undertaking pursuant to section 201A of the Australian Securities and Investments Commission Act 2001 (Cth) it is minded to make a declaration of unacceptable circumstances, each of the parties (as the case may be) may give that undertaking on their own behalf and must give reasonable consideration to giving that undertaking if requested by the other parties. Where such undertakings are given, this clause 12 will operate in a manner consistent with the terms of such undertakings.

Schedule 2 – Coalspur Announcement

NEWS RELEASE

[] February 2015

COALSPUR ANNOUNCES TRANSACTION

VANCOUVER, British Columbia: Coalspur Mines Limited (“Coalspur” or “Company”) (ASX: CPL, TSX: CPT) is pleased to announce it has entered into a definitive agreement (Scheme Implementation Agreement, “SIA”) for the proposed acquisition of Coalspur by KC Euroholdings S.à r.l. (“KCE”) by way of an Australian scheme of arrangement (“Scheme”). Under the proposed Scheme, KCE will seek to acquire all of the outstanding shares of the Company (the “Transaction”) offering a cash payment of \$0.023 per Coalspur share (the “Consideration”), subject to the fulfilment of the conditions set out in the SIA, some of which are described below. The total equity value of the Transaction is approximately \$15 million on a fully-diluted basis. All amounts are in Australian dollars unless noted otherwise.

The Consideration represents a []% premium over the closing price of the Company's ordinary shares on the Australian Securities Exchange on [] February and a []% premium based on the volume weighted average price of the ordinary shares over the 60 days prior to this announcement.

KCE is the parent company of Kameron Collieries ULC, the owner of the Donkin coal mine in Nova Scotia, Canada and is an affiliate of the Cline Group LLC (“Cline”), a major coal producer in the United States. KCE will fund the acquisition from internal cash sources.

The Transaction with KCE represents the culmination of the strategic review process that was announced by Coalspur on June 23, 2014. The strategic review process, overseen by a Special Committee of the Board of Directors, had the express objective to attempt to maximize value for all stakeholders of Coalspur. During the past seven months Coalspur and its financial advisor, Deutsche Bank, have canvassed a significant number of strategic and financial parties worldwide with a view to achieving the full funding of the Vista project, the sale of all or a portion of the Company's assets, the outright sale of the Company or a merger or other third party transaction for refinancing and/or recapitalization of the Company. The competitive process resulted in the selection of KCE's proposal which has the unanimous support of the Coalspur Board.

“After running a comprehensive, global process, the Company is pleased to enter into this agreement with KCE. Despite the challenging environment for thermal coal exporters globally, and limited capital market access for single asset developers of thermal coal projects, we have managed to run a competitive process and secured a positive outcome for all stakeholders. The agreement with KCE is the best option for our shareholders in the context of the Company's upcoming obligation to repay its debts with EIG Global Energy Partners (“EIG”) and Borrowdale Park S.A. (“Borrowdale”). Cline is an industry leader with the technical capability and financial capacity to bring Vista into production,” said Gill Winckler, President and Chief Executive Officer of Coalspur.

“The acquisition of the high quality Vista asset in Alberta will combine well with our recent purchase of the Donkin mine in Nova Scotia and advances our strategy to service growing international markets through a low cost coal production platform” said Paul Vining, Chief Executive Officer of KCE. “We look forward to working with key stakeholders as we develop Vista and our other international businesses.”

Coalspur Board and Major Shareholder Support

The Board has unanimously approved the Transaction and unanimously recommends that shareholders vote their shares in favour of the Scheme. The Scheme is supported by a unanimous recommendation of the Board and a commitment that all Coalspur Directors will vote any Shares they directly or indirectly own, control or represent in favour of the Scheme.

Borrowdale Park, Coalspur's major shareholder, has confirmed to the Coalspur Board that it intends to vote the shares it directly or indirectly owns, controls or represents in favour of the Scheme; and has entered into a standstill agreement with KCE, pursuant to which it has agreed not to dispose of a parcel of Coalspur shares representing 19.9% of the total Coalspur shares outstanding prior to the Scheme becoming effective (unless the SIA is terminated). The Coalspur Board, Director and Borrowdale Park approvals, recommendations and commitments are granted in the absence of a superior proposal and, in the case of the Coalspur Board and Director approvals, recommendations and commitments, subject to the Independent Expert opining that the Scheme is in the best interests of Coalspur shareholders.

Transaction details

The Transaction is to be completed by way of a Scheme and will be subject to a number of conditions including the approval of 75% of the votes cast by Coalspur's shareholders and a simple majority of the number of shareholders present and voting at the Scheme meeting, which is expected to be held in mid-April 2015. It is intended that the Scheme Booklet and proxy materials will be mailed out to shareholders in mid-March 2015 following the customary regulatory and court review and approval. If the conditions to the Transaction are satisfied, including approval by Coalspur's shareholders and the court, the acquisition of the Company by KCE is expected to complete in early May 2015.

In addition to executing the SIA, KCE has also executed a definitive agreement to purchase EIG's senior, secured debt (at a discount to face value) and warrants for consideration comprising a partial cash settlement together with future payments contingent on future coal prices. Completion of that agreement is subject to limited conditions precedent and is not contingent upon completion of the Scheme.

The Scheme includes a number of conditions precedent including KCE completing the purchase debts owed to EIG and Borrowdale by the Coalspur group. KCE has agreed in-principle terms with Borrowdale for the purchase of its sub-ordinated, secured debt which will be acquired for a royalty based on future production. In addition, KCE will engage in negotiations with Ridley Terminals Inc and CN Rail to amend key terms of the Company's current contracts with those entities. Resolution of those negotiations to the satisfaction of KCE is condition precedent to completion of the Scheme.

The SIA contains customary deal protection mechanisms such as no shop and no talk provisions, matching and notification rights in the event of a competing proposal and a mutual reimbursement fee payable by KCE or the Company in specified circumstances.

A copy of the SIA is available on the Company's website, the ASX website and www.sedar.com.

Indicative timetable

The indicative timetable for implementation of the Scheme is anticipated to be as follows:

Event	Target Dates <i>(subject to change)</i>
1st Court hearing to approve Scheme Booklet	Mid March
Scheme Booklet sent to Coalspur shareholders	Mid March
Scheme meeting	Mid April
2nd Court hearing to approve Scheme	Late April
Scheme becomes effective	Late April

Impairment

As a result of entering into the SIA, Coalspur is expecting to recognise a non-cash impairment charge in its 2014 full year accounts. The impairment charge is subject to finalisation of Coalspur's full year accounts, which are expected to be released before 30 March 2015.

Advisors

Coalspur is being advised by Deutsche Bank and its legal counsel are Hardy Bowen Lawyers (Australia) and McCarthy Tétrault LLP (Canada).

About Coalspur

Coalspur is a coal development company with approximately 55,000 hectares of coal leases located within the Hinton region of Alberta, Canada. Coalspur's flagship project is Vista, which covers approximately 10,000 hectares and provides a large scale, surface mineable, thermal coal development. Vista is located adjacent to CN Rail's main line, which is suitable for the transport of coal to deepwater ports on Canada's west coast. Coalspur has secured a port allocation agreement with Ridley Terminals, which is essential to the logistics supply chain necessary to export coal from Vista to the growing thermal coal demand from countries in the Asia Pacific region. The Transaction is the outcome of the strategic review process announced by Coalspur on 23 June 2014.

About KCE

KCE is a Cline affiliate put in place in 2014 to acquire, develop and operate coal mines in international (non-U.S.) markets. In August 2014, Kameron Collieries ULC, a subsidiary of KCE expanded into Canada by acquiring Glencore's 75% interest in the Donkin coal mine in Nova Scotia. Subsequently in December 2014 Kameron Collieries ULC increased its ownership of the Donkin coal mine to 100% by acquiring Morien Resources Corp.'s 25% shareholding.

Cline is a private coal company founded by Chris Cline. Its focus is on developing highly productive mining operations and it has a track record spanning 35 years. Cline's subsidiaries and affiliates control over four billion tons of reserves in the Illinois coal basin and Canada. Cline's subsidiaries and affiliates own approximately 86% of Foresight Energy LP (NYSE: "FELP") a U.S. thermal coal producer that currently operates four mining complexes consisting of four longwall mines and one room and pillar mine. FELP is the most productive and one of the lowest cost coal companies in the U.S. with 2014 EBITDA of US\$404 million.
