## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

---

### 1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at [www.bphenergy.com.au](http://www.bphenergy.com.au).

---

### 2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

#### 2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

#### 2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

---

### **3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – CHARLES MALING**

#### **3.1 General**

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Charles Maling, who has served as a Director since 17 October 2017 and was last re-elected on 30 November 2023, retires by rotation and seeks re-election.

#### **3.2 Qualifications and other material directorships**

Charles Maling was formerly the Communications Officer for the Office of the Western Australian State Government Environmental Protection Authority ("EPA") with a responsibility for advising the Chairman of the EPA on media issues. He has a Bachelor of Sociology and Anthropology with a Media minor. Charles worked with the Western Australian State Government Department of the Environment for 14 years and further 8 years for the EPA. His administrative roles included environmental research (including a major study on Perth Metropolitan coastal waters and Western Australian estuaries) environmental regulation and enforcement and media management.

In the past three years Charles has not held any listed company directorships. Charles is a director of unlisted company Grandbridge Limited.

Mr Maling has no interests, position, association or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the board and to act in the best interest of the entity and its security holders generally.

If re-elected the board considers Mr Maling will be an independent Director.

#### **3.3 Technical information required by Listing Rule 14.1A**

If Resolution 2 is passed, Mr Maling will be re-elected to the Board as independent Director.

In the event that Resolution 2 is not passed, Mr Maling will not continue in his role as independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

#### **3.4 Board recommendation**

The Board has reviewed Mr Maling's performance since his appointment to the Board and considers that his skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Maling and recommends that Shareholders vote in favour of this Resolution.

---

### **4. RESOLUTION 3 – APPROVAL OF 7.1A MANDATE**

#### **4.1 General**

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. As of the date of this Notice, the Company's market capitalisation is \$12,182,328. The Company is therefore an Eligible Entity.

## 4.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

## 4.3 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 3:

### (a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

### (b) Minimum price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 1.1.1 (a)(i), the date on which the Equity Securities are issued.

### (c) Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the Company's investments in Cortical Dynamics Limited, Clean Hydrogen Technologies Corp., Molecular Discovery Systems Limited and the Advent Energy Limited group of companies, the acquisition of new assets and investments (including expenses associated with such an acquisition), debt reduction and general working capital.

### (d) Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 13 October 2025.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

		DILUTION			
Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Issue Price		
			\$0.005	\$0.009	\$0.014
			50% decrease	Issue Price	50% increase
			Funds Raised		
<b>Current</b>	1,219,621,705 Shares	121,962,171	\$609,810	\$1,097,659	\$1,707,470
<b>50% increase</b>	1,829,432,557 Shares	182,943,256	\$914,716	\$1,646,489	\$2,561,205
<b>100% increase</b>	2,439,243,410 Shares	243,924,341	\$1,219,621	\$2,195,319	\$3,414,940

\*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

**The table above uses the following assumptions:**

1. There are currently 1,219,621,705 existing Shares as at the date of this Notice.
2. The issue price set out above is the closing market price of the Shares on the ASX on 13 October 2025 (being \$0.009) (**Issue Price**). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised.
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

**(e) Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
  - (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
  - (iii) the effect of the issue of the Equity Securities on the control of the Company;
  - (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
  - (v) prevailing market conditions; and
  - (vi) advice from corporate, financial and broking advisers (if applicable).
- (f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 28 November 2024 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 28 November 2024, the Company has issued no Shares under the Previous Approval (**Previous Issue**). The total diluted number of Equity Securities on issue in the Company on 28 November 2024 was 1,845,911,100.

No Equity Securities were issued by the Company pursuant to Listing Rule 7.1A.2 during the 12 month period preceding the date of the Meeting.

#### 4.4 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

---

## 5. RESOLUTION 4 – RE-ADOPTION OF INCENTIVE PERFORMANCE RIGHTS AND OPTIONS PLAN

### 5.1 General

Resolution 4 seeks Shareholder approval for the re-adoption of the employee incentive scheme titled "Incentive Performance Rights and Options Plan" (**Plan**) and for the issue of up to a maximum of 121,970,000 Performance Rights and Options under the Plan in accordance with Listing Rule 7.2 (Exception 13(b)).

The objective of the Plan is to attract, motivate and retain key employees and the Company considers that the adoption of the Plan and the future issue of Performance Rights or Options under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

The Company adopted the Plan at a shareholders meeting held on 30 November 2022. The Company is seeking approval for the re-adoption of the Plan pursuant to Resolution 4 primarily for the purpose of increasing the maximum number of Securities that may be issued under the Plan. No amendments are proposed to be made to the terms of the Plan.

Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 Exception 13(b). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

## **5.2 Technical Information required by Listing Rule 14.1A**

If Resolution 4 is passed, the Company will be able to issue Performance Rights and Options under the Plan to eligible participants over a period of 3 years. The issue of any Performance Rights or Options to eligible participants under the Plan (up to the maximum number of Securities stated in Section 5.1) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Performance Rights or Options under the Plan to a related party or a person whose relationship with the company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 4 is not passed, the Company will be able to proceed with the issue of Performance Rights and Options under the Plan to eligible participants, but any issues of Performance Rights or Options will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Performance Rights or Options.

## **5.3 Technical information required by Listing Rule 7.2 (Exception 13)**

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13), the following information is provided in relation to Resolution 4:

- (a) a summary of the key terms and conditions of the Plan is set out in Schedule 1;
- (b) the Company has issued the following securities under the Plan:
  - (i) in February 2023, Director David Breeze was issued with 15,000,000 Incentive Options with an exercise price of \$0.03 each and an expiry date of 30 September 2024. 10,000,000 of these Incentive Options were exercised on 30 September 2024 with the remainder expiring unexercised;
  - (ii) at the Company's 2023 AGM, held on 30 November 2023, Shareholder approval was received to issue Director David Breeze 58,000,000 Performance Rights. The Performance Rights shall vest upon approval by the Commonwealth - New South Wales Offshore Petroleum Joint Authority (Joint Authority) of the PEP11 Permit extension application (**Milestone**). If the Milestone has not been achieved prior to 30 November 2028, the Performance Rights will automatically lapse and will not be converted into shares. The Performance Rights have not yet been issued at the date of this Notice of Meeting; and
  - (iii) in December 2023 staff / consultants were issued 5,250,000 Incentive Options with an exercise price of \$0.05 each and expiry date of 7 December 2028;

- (f) a voting prohibition statement applies to this Resolution.

## 6. RESOLUTION 5 – PLACEMENT OF NEW OPTIONS

### 6.1 General

Subject to Shareholder approval, the Company intends to undertake a placement to issue up to 611,763,844 Options (exercisable at \$0.03 each on or before the date that is 12 months from the date of issue) (**New Options**) at an issue price of \$0.001 per New Option to raise up to \$611,764 (**Option Placement**). The Company will issue a prospectus in relation to the Option Placement shortly after the Meeting (**Prospectus**).

The Option Placement will be offered to all Australian based holders of the Company's BPHO class of Options, as at 29 October 2025 (**Eligible Participants**), on the basis of one New Option for every one BPHO Option held at 29 October 2025 being the expiry date of the BPHO Options. Any entitlements not taken up by Eligible Participants will form part of a shortfall, which may be placed with Eligible Participants who apply for New Options in excess of their entitlement, existing Shareholders or other parties identified by the Directors.

The primary purpose of the Option Placement is to enable the holders of BPHO Options to continue to participate in the ongoing development of the Company. Accordingly, Shareholders should note that the Option Placement is not being undertaken as a capital raising exercise. The Company intends to use the funds raised by the Option Placement towards meeting the expenses of preparing and lodging the Prospectus with the ASIC and ASX, with any surplus funds to be used for hydrocarbon investments and general working capital.

For the avoidance of doubt, Mr Breeze (or his nominee) and Mr Huston are currently holders of BPHO Options. The Company confirms that Mr Breeze and Mr Huston intend to participate in the Option Placement to the extent of their entitlement, and subject to Shareholder approval under Resolutions 8 and 9, under a separate offer included in the Prospectus.

The Company will apply for quotation of the New Options issued under the Director Participation in the Option Placement at the same time as it applies for quotation of the Options issued to unrelated participants in the Option Placement.

### 6.2 Shortfall Offer

Any entitlement not taken up under the Options Placement will form the shortfall offer (**Shortfall Offer**). The Shortfall Offer will be a separate offer made pursuant to the Prospectus, and will remain open for up to 3 months following the closing date. The issue price for each of the Options to be issued under the Shortfall Offer is \$0.001, being the same price at which the Options are offered under the Options Placement. The Directors reserve the right to issue the Options under the Shortfall Offer at their absolute discretion.

### 6.3 Indicative timetable

The indicative timetable for the Option Placement is set out below:

Date for determining eligibility of participants in the offer	29 October 2025

*\*The above dates are indicative only and are subject to change at the Board's discretion in accordance with the Corporations Act and ASX Listing Rules.*

#### 6.4 ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue does not fall within any of the exceptions set out in Listing Rule 7.2 and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of Shareholders under Listing Rule 7.1.

#### 6.5 Technical information required by ASX Listing Rule 14.1A

If Resolution 5 is passed, the Company will be able to proceed with the issue of New Options under the Option Placement. In addition, the issue will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 5 is not passed, the Company will not proceed with the issue of New Options under the Option Placement.

#### 6.6 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to the Option Placement:

- (a) the New Options will be offered to Eligible Participants. As noted in Section 6.1, any entitlements not taken up by Eligible Participants will form part of a shortfall, which may be placed with Eligible Participants who apply for New Options in excess of their entitlement, existing Shareholders or other parties identified by the Directors. No related parties will participate in the Option Placement. The Company confirms that no Material Persons will be issued more than 1% of the issued capital of the Company;
- (b) the maximum number of New Options to be issued is 611,763,844, which, when multiplied by the issue price (outlined below) equals \$611,764;
- (c) the New Options will be issued on the terms and conditions set out in Schedule 2;
- (d) the New Options will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the New Options will occur on the same date;
- (e) the issue price will be \$0.001 per New Option;
- (f) the purpose of the issue is as set out in Section 6.1 above. The Company intends to use the funds raised from the Option Placement to meet the expenses of preparing and lodging the Prospectus, with any surplus funds to be used for general working capital;
- (g) the New Options are not being issued under an agreement; and
- (h) a voting exclusion applies to this Resolution.

### 7. RESOLUTION 6 – ISSUE OF OPTIONS TO DAVID BREEZE

#### 7.1 General

This Resolution seeks Shareholder approval for the purposes of Listing Rule 10.14 for the issue of up to 5,000,000 Options to David Breeze (or his nominee(s)) pursuant to the Company's

Plan on the terms and conditions set out below. Each Option will be exercisable at \$0.03 on or before 30 November 2026, and otherwise on the terms set out in Schedule 3.

This Resolution is conditional on Resolution 4 also being passed.

## 7.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and David Breeze is a related party of the Company by virtue of being a Director.

The Directors (other than David Breeze) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue, because the agreement to issue the Options, reached as part of the remuneration package for David Breeze, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

## 7.3 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and it therefore requires the approval of Shareholders under Listing Rule 10.14.

## 7.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue within 3 years after the date of the Meeting. As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If this Resolution is not passed, the Company will not be able to proceed with the issue and the Company will consider alternative methods to remunerate David Breeze.

## **8. RESOLUTION 7 – RATIFICATION OF PRIOR ISSUE OF SHARES IN CONSIDERATION FOR ADVERTISING SERVICES**

### **8.1 General**

This Resolution seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of 1,388,889 Shares to Investing News Network Pty Ltd on 15 February 2025 in consideration for advertising fees amounting to a value of \$15,000, in lieu of paying cash for the consulting services provided.

### **8.2 Listing Rule 7.1**

A summary of Listing Rule 7.1 is set out in Section 4.1 above.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the issue.

### **8.3 Listing Rule 7.4**

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

### **8.4 Technical information required by Listing Rule 14.1A**

If this Resolution is passed, the issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If this Resolution is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

## 9. RESOLUTIONS 8 AND 9 – DIRECTOR PARTICIPATION IN OPTION PLACEMENT

### 9.1 General

As set out in Section 6.2 above, each of the Directors wish to participate in the Options Placement on the same terms as unrelated participants in the Option Placement (**Participation**) as follows:

- (a) Mr David Breeze (or his nominee) intends to apply for 9,121,678 Options under the Options Placement subject to Resolution 8; and
- (b) Mr Tony Huston (or his nominee) intends to apply for up to 1,542,762 Options under the Options Placement subject to Resolution 9.

### 9.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The Participation will result in the issue of Shares which constitutes giving a financial benefit and each of the Directors are each a related party of the Company by virtue of being a Director.

In respect of Resolution 8, the Directors (other than David Breeze who has a material personal interest in Resolution 8) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the Participation because the New Options will be issued to Mr Breeze on the same terms as the New Options issued to non-

related party participants in the Option Placement and as such, the giving of the financial benefit is on arm's length terms.

In respect of Resolution 8, the Directors (other than Tony Huston who has a material personal interest in Resolution 8) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the Participation for the same reason as is given for Mr Breeze's participation above.

### **9.3 Section 195(4) of the Corporations Act**

Section 195 of the Corporations Act provides that a director of a public company may not vote or be present during meetings of directors when matters in which that director holds a "material personal interest" are being considered, except in certain limited circumstances. Section 195(4) relevantly provides that if there are not enough directors to form a quorum for a directors meeting because of this restriction, one or more of the directors may call a general meeting and the general meeting may pass a resolution to deal with the matter.

It might be argued (but it is neither conceded nor, indeed, is it thought by the Board to be the case) that all but one of the Directors comprising the Board have a material personal interest in the outcome of Resolutions 8 and 9. If this were the case, a quorum of Directors without a material personal interest could not be formed at the Board level to consider the matters contemplated by these Resolutions.

Accordingly, for the avoidance of any doubt, and for the purpose of transparency and best practice corporate governance, the Company also seeks Shareholder approval for Resolutions 8 and 9 for the purposes of section 195(4) of the Corporations Act in respect of the reliance on the arm's length terms exception and the decision not to seek Shareholder approval under Chapter 2E of the Corporations Act.

### **9.4 Listing Rule 10.11**

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The Participation falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

### **9.5 Technical information required by Listing Rule 14.1A**

If these Resolutions are passed the Company will be able to proceed with the issue of the New Options to each of the Directors under the Participation within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Securities in respect of the Participation (because approval is being obtained under Listing Rule 10.11), the issue of the Securities will not use up any of the Company's 15% annual placement capacity.

If these Resolutions are not passed, the Company will not be able to proceed with the issue of the New Options to the Directors under the Participation.

Resolutions 8 and 9 are conditional on Resolution 5 also being passed. Therefore, if Resolution 5 is not passed, the Option Placement will not be undertaken, and there will be no Participation.

#### **9.6 Technical Information required by Listing Rule 10.13**

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to Resolutions 8 and 9:

- (a) the New Options will be issued to David Breeze and Tony Huston (or their nominee(s));
- (b) David Breeze and Tony Huston each fall within the category set out in Listing Rule 10.11.1, as each Director is a related party of the Company by virtue of being a Director. Any nominee(s) of David Breeze and Tony Huston who receive Securities may constitute 'associates' for the purposes of Listing Rule 10.11.4;
- (c) the maximum number of New Options to be issued to each Director is:
  - (i) up to 9,121,678 New Options to Mr David Breeze (or his nominee); and
  - (ii) up to 1,542,762 New Options to Mr Tony Huston (or his nominee);
- (d) the New Options shall be issued on the same terms and conditions as other non-related participants in the Option Placement as set out in Schedule 2;
- (e) the New Options will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is anticipated the New Options will be issued on the same date;
- (f) the issue price will be \$0.001 per New Option, being the same issue price as New Options offered to other non-related participants in the Option Placement issued to other participants in the Option Placement;
- (g) as noted above, the purpose of the issue of New Options under the Option Placement is not to raise capital but to enable the holders of BPHO Options to continue to participate in the ongoing development of the Company. The Company will use the funds raised to meet the expenses of preparing and lodging the prospectus and toward working capital. The Directors will satisfy the consideration for their Participation by a set off of amounts owing to them or their nominees, in particular Mr David Breeze up to \$9,122, Mr Tony Huston up to \$1,542.76;
- (h) the New Options to be issued under the Participation are not intended to remunerate or incentivise the Director;
- (i) the New Options are not being issued under an agreement; and
- (j) a voting exclusion statement is included in Resolutions 8 and 9 of the Notice.

The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.
<b>Eligibility, invitation and application</b>	<p>The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) Options and Performance Rights provided under the Plan on such terms and conditions as the Board decides.</p> <p>On receipt of an invitation, an Eligible Participant may apply for the securities the subject of the invitation by sending a completed application form to the Company. <p><b>Exercise of convertible securities and cashless exercise</b></p>	<p>To exercise a security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Option or Performance Right (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.</p> <p>An invitation to apply for Options may specify that at the time of exercise of the Options, the Participant may elect not to be required to provide payment of the exercise price for the number of Options specified in a notice of exercise, but that on exercise of those Options the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Options.</p> <p><b>Market Value</b> means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.</p> <p>An Option or a Performance Right may not be exercised unless and until that security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.</p>
<p><b>Timing of issue of Shares and quotation of Shares on exercise</b></p>	<p>As soon as practicable after the valid exercise of an Option or a Performance Right by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised securities held by that Participant.</p>
<p><b>Restrictions on dealing with securities</b></p>	<p>A holder may not sell, assign, transfer, grant a security interest over or otherwise deal with an Option or a Performance Right that has been granted to them unless otherwise determined by the Board. <b>Adjustment of convertible securities</b>	<p>If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Options or Performance Rights will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.</p> <p>If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Options or Performance Rights is entitled, upon exercise of those securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Options or Performance Rights are exercised.</p> <p>Unless otherwise determined by the Board, a holder of Options or Performance Rights does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.</p>
<b>Rights attaching to Shares</b>	<p>All Shares issued or transferred under the Plan or issued or transferred to a Participant upon the valid exercise of an Option or a Performance Right, will rank equally in all respects with the Shares of the same class for the time being on issue except for any rights attaching to the Shares by reference to a record date prior to the date of the allotment or transfer of the Shares. A Participant will be entitled to any dividends declared and distributed by the Company on the Shares issued upon exercise of an Option or a Performance Right and may participate in any dividend reinvestment plan operated by the Company in respect of Shares. A Participant may exercise any voting rights attaching to Shares issued under the Plan.</p>
<b>Disposal restrictions on Shares</b>	<p>If the invitation provides that any Shares issued upon the valid exercise of an Option or a Performance Right are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.</p> <p>For so long as a Share is subject to any disposal restrictions under the Plan, the Participant will not:</p> <ul style="list-style-type: none"> <li>(a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Share; or</li> <li>(b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.</li> </ul>

These laws may restrict the acquisition or disposal of Shares by you during the time the holder has such information.</p> <p>Any Shares issued to a holder upon exercise of an Option or a Performance Right shall be subject to the terms of the Company's Securities Trading Policy.</p>

<b>Amendment of Plan</b>	<p>Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.</p> <p>No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.</p>
<b>Plan duration</b>	<p>The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.</p> <p>If a Participant and the Company (acting by the Board) agree in writing that some or all of the securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those securities may be cancelled in the manner agreed between the Company and the Participant.</p>
