## About Fiji Kava

**Fiji Kava Ltd** (ASX: FIJ), an Australian-Fijian medicinal kava health & wellness company, producing natural 'noble kava' products for the natural medicine market, estimated to exceed USD \$210 billion by 2026 globally. As the first foreign company with approval from the Fijian Government to operate in the kava industry. Fiji Kava has established a global leading sustainable and 100% traceable, certified organic supply chain of 'noble kava' through partnership throughout the Fiji Islands, including with the iTaukei Trust Fund Board.

Fiji Kava is focussed on developing a range of natural products based on effective natural medicine ingredients that promote sleep, soothe and calm the nerves, support muscle relaxation and relax the mind. Backed by years of independent research, Fiji Kava medical kava products are produced by high-quality GMP and are TGA and FDA compliant.

## Forward-Looking Statements

This ASX release includes certain forward-looking statements that are based on information and assumptions known to date and are subject to various risks and uncertainties. Actual results, performance or achievements could be significantly different from those expressed in, or implied by, these forward-looking statements. Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of Fiji Kava. These factors may cause actual results to differ materially from those expressed in the statements contained in this announcement.
