Cyprus, 7th March, 2018 : Australian Securities Exchange and Frankfurt Stock Exchange cross listed iSignthis Ltd (ASX : ISX | DE_FRA : TA8), the world leading RegTech for identity verification and payment services, is pleased to provide an update on its European operations.

One (1) of the Four (4) merchants announced last week on the 26th February as having been contracted, is now live and transacting, and will be contributing to revenue as of today.

This merchant is now accepting payments via ISXPay® from Visa, Mastercard, and Sofort, with Trustly and JCB services to follow within coming weeks.

Paydentity™ has been rolled out as the merchant's customer due diligence platform, which has been integrated via a multi-tenancy solution to the Panda (<http://pandats.com>) platform, allowing for rapid future integration of merchants.

Gross Processed Turnover Value (GPTV) is anticipated to be in excess of €50m annualised for this merchant, based upon trading histories provided by the merchant.

The Company will update the market with more accurate forecasts of Merchant Services Fee percentage (MSF%) and annualised GPTV settlement value in the regular 4C quarterly reports, which will be based on merchants actual trading results.

The Company will provide a more accurate estimate of the integration timetable of the remaining three merchants mentioned in last weeks announcement, once schedules have been agreed with each of the parties.

As announced previously, iSignthis is engaged with a number of merchants across a range of industry verticals in the EU, Australia and other regions and expects a steady but controlled addition of new customers throughout the year.
