Penajam Paser Utara Project Update

Western Mining Network Limited (**WMN** or the **Company**) advises that after the completion of due diligence on the Penajam Paser Utara Project, it has decided not to pursue the transaction under the Master Agreement (as announced to ASX on 15 November 2012).

The Company has concluded that the potential coal in the project area does not justify further exploration work. The Company will continue its focus and strategy to look for highly prospective and scalable coal projects.

Under the Master Agreement, WMN were not required to pay any consideration to conduct due diligence on the Penajam Paser Utara Project.

On behalf of the board of directors,

Paulus Irawan
Executive Director
