IRA LANGEVIN

Brend **IRA LANGEVIN**, koji je osnovala dizajnerka, dramska autorka i diplomata Ira Langevin, predstavio je kolekciju **She Who Knows** — modni manifest koji istražuje dijalog između mekoće i snage.

Skulpturalne siluete susreću se s fluidnim pokretom, stvarajući kontrast između arhitektonske forme i eterične lakoće. Haljine u lavandinim tonovima, izrađene od nežno plisiranih tkanina, lebdele su oko tela poput magle, dok su crno-bele geometrijske kompozicije dodale grafičku oštrinu. Voluminozne bele kreacije s detaljima poput perja prizvale su osećaj nebeske čistoće.

Kolekcija je istakla dualnost — strukturu i draperiju, skrivanje i otkrivanje — podsećajući da prava snaga ne mora biti glasna, već duboko osećajna.

IRA LANGEVIN

IRA LANGEVIN — the fashion house founded by designer, playwright, and diplomat Ira **Langevin** — presented her collection “**She Who Knows.**” It is not simply a collection — it is a manifesto.

The collection presents a striking dialogue between softness and strength, where sculptural silhouettes meet fluid movement. Ethereal gowns in lavender gradients float like mist, crafted from delicately pleated fabrics that cascade around the body with weightless grace.

Black-and-white geometric compositions add a graphic edge, while voluminous whites adorned with feather-like detailing introduce a sense of celestial purity. Built on duality, it contrasts architectural structure with fluid drapery, concealment with bold cuts — reminding us that true strength is not loud, but deeply felt.

Beauty partners of Paris Fashion Days also included , whose support helped elevate the artistry on and off the runway.

Paris Fashion Days was not just a show — it was a meeting point of cultures, creativity, and new ideas. Each collection was a work of art with its own story. “*Our mission was to give designers from around the world the opportunity to shine in Paris, the capital of fashion, and to inspire audiences through the language of beauty and self-expression,*” shared **Zoriana Semeniuk**, founder and organizer of the event.

The evening went beyond presenting trends — it ignited inspiration, sparked fresh ideas, and proved that fashion is a universal language uniting all who strive for individuality and excellence.
