نقاط ملا کر حرف مکمل کریں

This image shows a handwriting practice sheet for the Persian letter 'Pe'. The sheet is organized into ten horizontal rows. Each row contains five dashed outlines of the letter 'Pe', which is a stylized form of the Persian script. The letters are designed for tracing practice, with the top stroke being a simple curve and the bottom stroke being a vertical line with a small hook at the top. The rows are separated by thin horizontal lines, and the columns are separated by thin vertical lines.
